Water, Reconstituted Coconut Cream (20%), Glucose Syrup, Sugar, Coconut Oil, Dextrose Monohydrate, Maltodextrin, Vegetable Gums (412,410), Pea Protein, Emulsifiers (471,433), Modified Starch (1450) Mineral Salt (551), Flavour

### ALLERGENS

**MAY CONTAIN MILK, SOY, PEANUT AND OTHER TREE NUTS** – Produced in a facility where Milk, Soy, Peanut, Macadamias, Hazelnuts, Almonds and Pistachios are present.

The glucose syrup used in our sorbet undergoes a refining process during the production of the product, which removes gluten proteins.
Our latest testing shows levels of just 1.51 ppm, products with less than 20mg/kg of gluten do not have to claim the allergen.
However, if a customer has an intolerance or sensitivity to glucose syrup, we recommend seeking further medical advice.
For more information about glucose syrup and gluten allergens, please visit https://coeliac.org.au/article/glucose-syrup-derived-from-wheat/
